learning method:  
learning outcome

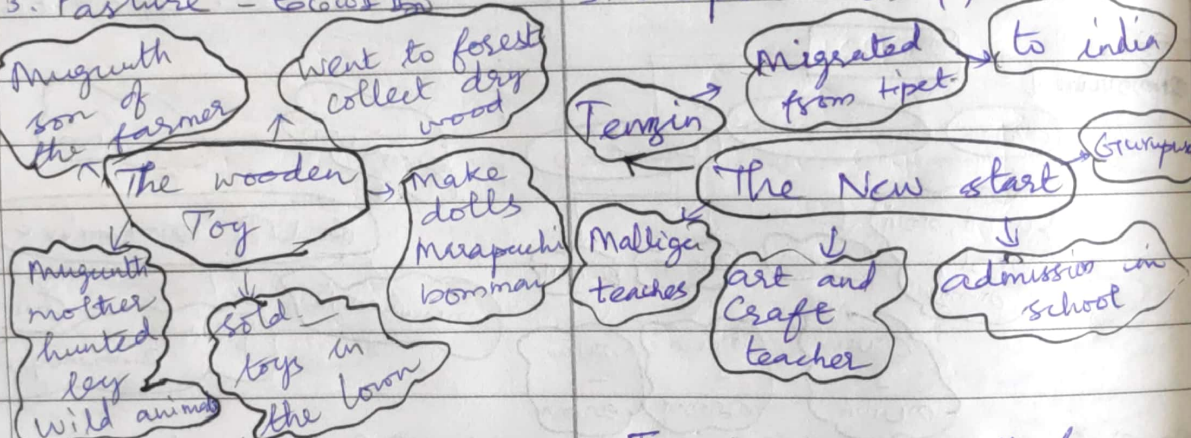

IV - English  
The wooden toy  
(Letus read aloud)  
1 (99-105)  
Stand alone.

Pair  
- To develop reading skill  
- This story about the boy  
Mugunth and how he used  
his art to save his family  
Encouraging the students  
to say simple stories.

TLM:  
New words  
year  
revision

QR video, chart  
1. Wild dog - சிங்கி  
2. Handicrafts - கைவினை  
3. Pasture - பசுவேள

Concept map:

Consolidate

- One there was a village circled by mountains and many big trees.  
- They used to hunt not only the animals in the forest.

- Tengin is a small boy from Tibet.  
- His family had a hard time adjusting to this new country.  
- Beginning a new life in...

Evaluation

1) Mugunth made using the dry wood  
2) \_\_\_\_\_ is a great skill to enjoy

1. Tengin is from \_\_\_\_\_  
2. Miss Mallege teaches

Follow-up work:

Make toys from wood or clay with your interest

Complete the book back exercises Page 109-112.

**IV - கணக்கீடு**

**சமன்பாடு:**  $5x + 2y = 35$  (1)  
 $2x + 3y = 40$  (2)

**சமன்பாடுகளை:** (1) x 2 =  $10x + 4y = 70$   
(2) x 3 =  $6x + 9y = 120$

**கழித்து:**  $4y = 70 - 120$   
 $4y = -50$   
 $y = -12.5$

**மீட்டி:**  $5x + 2(-12.5) = 35$   
 $5x - 25 = 35$   
 $5x = 60$   
 $x = 12$

**விடை:**  $x = 12, y = -12.5$

**சரிபாட்டு:**  $5(12) + 2(-12.5) = 60 - 25 = 35$   
 $2(12) + 3(-12.5) = 24 - 37.5 = -13.5$  (Note: Original text has 40, but calculation shows -13.5)

**V - கணக்கீடு**

**சமன்பாடு:**  $2x + 3y = 39$  (1)  
 $3x + 4y = 45$  (2)

**சமன்பாடுகளை:** (1) x 2 =  $4x + 6y = 78$   
(2) x 3 =  $6x + 12y = 135$

**கழித்து:**  $2x = 78 - 135$   
 $2x = -57$   
 $x = -28.5$

**மீட்டி:**  $2(-28.5) + 3y = 39$   
 $-57 + 3y = 39$   
 $3y = 96$   
 $y = 32$

**விடை:**  $x = -28.5, y = 32$

**சரிபாட்டு:**  $2(-28.5) + 3(32) = -57 + 96 = 39$   
 $3(-28.5) + 4(32) = -85.5 + 128 = 42.5$  (Note: Original text has 45, but calculation shows 42.5)

1)  $₹ 75 \times 5 =$   
2)  $₹ 520 \div 5 =$

**விடை:**  $₹ 375$   
 $₹ 104$

ஊராட்சி ஒன்றிய நடுநிலைப்பள்ளி,  
தாளக்கரை.

குண்டாம் ஒன்றியம், திருப்பூர் மாவட்டம் - 638 706.

## NOTES OF LESSON RECORD

### பாடக்குறிய்ப்பு பதிவேடு

ஆசிரியர் : ர.ராஜேஷ் M.Sc., B.Ed., D.T.Ed.,

பதவி : இடைநிலை ஆசிரியர்
